Small Groups, Classes and Ministries

September – December 2018

First Assembly

UPDATED 9.30.2018

Jesus spent 90% of his ministry with a small group of friends. We believe this is still the most meaningful way to live an abundant Christian life and disciple others effectively.

Part of our Groups Vision states: *We see the day when every adult who calls First Assembly home, will be intimately connected to others in a small group.*

Within these pages you will find a variety of ages, locations and group topics to help you connect into community.

It is our prayer that everyone at First Assembly will find a small group of friends to share life with!

“And they devoted themselves to the apostles’ teaching and the fellowship, to the breaking of bread and to prayer.” – Acts 2:42
